**Subject:** Wells Relicensing: Scoping Document

Recreation RWG,

The Scoping Document for Wells relicensing was issued by FERC on January 30. For your information, we have posted the Notice of Availability for Environmental Analysis and Scoping Document 1 on the Wells relicensing website at the following location.

[http://relicensing.douglaspud.org/documents/ferc\\_relicensing\\_documents/ferc\\_scoping\\_documents.asp](http://relicensing.douglaspud.org/documents/ferc_relicensing_documents/ferc_scoping_documents.asp)

Please contact me if you have questions.
