**Subject:** Wells Project Cultural Resources Scope of Work

Scott Kreiter,

Please find the attached draft Scope of Work (SOW) proposal for the Wells Project and Federal Energy Regulatory Commission (FERC) licensing requirements. The draft SOW is submitted in advance of the Cultural Resource Work Group scheduled for March 8, 2007. If you have comments or questions before the meeting, please address them to me at the contact information below.

Thanks,

-John Pouley
