Terrestrial RWG,

Please find attached the agenda for the April 19<sup>th</sup> Terrestrial Resource Work Group meeting. The main objective of the meeting will be to review and discuss stakeholder study requests that have been filed with FERC, and any resulting changes to the study plans that have been proposed by the RWG.

You can find all of the comment letters filed to FERC on the Wells relicensing website at <http://relicensing.douglaspud.org/communication/correspondence.asp?Year=2007>

Please contact me if you have any questions.
