RE: License Application for Wells Hydroelectric Project No. 2149 - 152

Honorable Bose,

The City of Pateros was a member of the Recreation Work Group and participated in development of the Recreation Management Plan. We entered into an agreement with Douglas County PUD that provides funding for future parks operations and maintenance which offer long term benefits to our city.

Therefore, the City of Pateros supports the Wells Project License Application and proposed 50 year license term.

Thank you,

Gail A Howe, Mayor
City of Pateros
