# Final Meeting Notes

## Cultural Resource Work Group

Wells Hydroelectric Project Relicensing  
Douglas County PUD  
March 8, 2007

**Meeting Coordinator:** Scott Kreiter (509) 881-2327

**Meeting Objective:** To continue development of the scope of work for the Cultural Resources Investigation

### Updates from the previous meeting

#### BIA Participation

Scott provided an update on BIA's participation in the Section 106 process. Scott contacted Bob Dach with the BIA. Bob said that Chuck James would be the BIA representative in the process. Scott has met with Chuck to bring him up to speed on the Wells ILP and the status of the Section 106 process.

#### FERC Scoping Document and Meetings

Scott reminded the group that comments on the Scoping Document are due on April 2 and that FERC held scoping meetings on February 28.

#### Scope of Work for 2007/2008 Cultural Resources Investigation

The CRWG reviewed and discussed the draft Scope of Work (SOW). Results of this discussion will be reflected in the next draft of the Scope of Work. The revised SOW will be sent to the group for review prior to the next meeting.

**Action:** Scott will send a copy of the Clair Hunt allotment map in GIS format to the Colville Tribes.

**Action:** Scott will send a copy of the Data Review database to the Colville Tribes

**Action:** Scott will provide the Colville Tribes with overview maps of the Wells Project and transmission corridor for use in the Scope of Work.

**Action:** Scott will provide details about the transmission corridor to the Colville Tribes.

**Action:** Scott will review DAHP guidelines for GIS and metadata.

**Action:** The Colville Tribe will send the revised Scope of Work to Douglas PUD by March 16.

Items of Agreement

None

Items of Disagreement

None

Next Meeting

March 29<sup>th</sup> was the date proposed at the meeting. Scott will contact the work group members to determine if that date works for all of the members.
