Final Meeting Notes

Cultural Resource Work Group

Wells Hydroelectric Project Relicensing
Douglas County PUD
April 18, 2007

Meeting Coordinator: Scott Kreiter (509) 881-2327

Meeting Objective: Final review and comment on the scope of work for the Cultural Resources Investigation

Scope of Work for 2007/2008 Cultural Resources Investigation

The CRWG provided final comments on the Scope of Work (SOW). Results of this discussion will be reflected in the final Scope of Work.

Study Plan Meeting

Douglas PUD provided a brief overview of what to expect at the June 14th Study Plan Meeting, hosted by FERC and PUD staff. No further work group meetings are scheduled prior to the June 14 Study Plan Meeting.

Action: The final scope of work and study plan will be revised and sent to the CRWG.

Action: Douglas PUD will provide a reference noting that no active allotment lands occur within the Wells Project boundary, and that those lands are owned by Douglas PUD in fee title.

Action: Scott will send a copy of the Clair Hunt allotment map in GIS format to the Colville Tribes.

Action: Scott will provide the Colville Tribes with Wells Project orthophotos.

Action: Scott will review DAHP guidelines for GIS and metadata.
